

Habitat would like to thank all donors, volunteers and customers for their continued support. We would like to invite all business owners, potential volunteers and new customers to support Habitat for Humanity Saskatoon in the ReStore and on the build site.

Pictured are Al Dudley (Habitat Construction Manager), Giles Saulnier (Saskatoon Urban Camp Manager), and Gerry Ecker (Habitat ReStore General Manager). Urban camp donates labor to both the ReStore and the Build-site saving thousands of dollars in labor while helping inmates to learn new work skills.

Candace Duvall of QC flooring accepts a charitable donation tax receipt from Gerry Ecker. In the last year QC Flooring has donated nearly \$50,000.00 in flooring products to the ReStore.

Bob Roy of PBR Auctions shakes hands with Gerry Ecker in front of the Cube Van which PBR partially donated to Habitat. This donation has greatly enhanced the ReStore's ability to serve.
